Principal (signature) Date

Complex Area Supervisor (signature) Date

State of Hawaii
Resources for Enrichment, Athletics, Culture and Health

A. Program Description:

1. Describe how the proposed service activity is appropriate for the students, including a description of the frequency, duration and intensity, target audience, and its impact on students, school and the community.
2. Describe the structure of delivering the program/services, including a work plan of service activities and tasks, work assignments and responsibilities, and realistic timelines and schedules.
3. A description of partnerships, current and/or proposed, as evidence of collaboration and cooperation in maximizing resources.
4. Describe how volunteerism will be integrated into the program, i.e., how will volunteers be utilized to maximize resources.
5. Describe how service activity is consistent with the goals of R.E.A.C.H.

B. Outcomes, Positive Impact and Data Collections/Tracking:

1. What are the goals and expected outcomes? The program activity supports the goals and expected outcomes.
2. How will the program activity impact the school, students, and the community?
3. Is there a mechanism for tracking outcomes-school attendance, behavior in class, course marks/grades. Provide a clear description of data collection, tracking, and reporting on the outcomes.
