

Hawai'i Public Housing Communities to Access Reliable High-Speed Internet

State Advances Broadband Expansion with Hawaiian Telcom's \$6 Million Fiber Internet Donation

JUNE 30, 2025 | KALĀKAUA HOMES

Fiber Connectivity for Public Housing Communities Statewide

- Stronger, more reliable internet for public housing residents
- Reaching 81 HPHA properties and over 5,500 residential units
- Connecting more than 45,000 Hawai'i residents in public housing
- Completion expected by August 2025
